Bluetooth USB Printer Adapter

Wirelessly Enables your USB Printer

The SMART Modular USB Printer adapter creates a new printing experience. By replacing the USB cable on any standard USB printer, the USB printer adapter enables wireless Bluetooth printing. You can print from PDA's, Notebooks and even Bluetooth enabled cell phones.

Serial Port Profile allows wireless printing from any Windows based application. HCRP profile also supports wireless printing from any Windows platform and also supports the installation of printers by Plug and Play. Object Push supports wireless printing of ready to print files.

SMART Modular Technologies, Inc. is a wholly owned operating company within Solectron Corporation's (NYSE: SLR) Technology Solutions Business Unit. SMART, a leading independent manufacturer of memory and communication sub-systems offers more than 500 products to premier OEMs in the computer, networking and telecommunications industries. Through its relationship to Solectron, SMART offers customers competitive outsourcing advantages, such as access to advanced manufacturing technologies, shortened product time-to-market, reduced total cost of ownership and more effective asset utilization.

SMART Modular Technologies Communications Products Division (CPD) has extensive experience & focus upon leading-edge, client-side personal communication sub-systems for wireless and wired Personal Area, Local Area and Wide-Area Networks.

FEATURES

- Windows Plug and Play
- CE tested
- FCC Tested
- Integrated Antenna
- Class 1 Bluetooth device (+20 dBm)
- Range (up to 100m)
- Flash Upgradeable
- Printer Interface is USB 1.1 Low/Full speed
- Bluetooth 1.1 compliant
- Power supply provided is 5.0 VDC

PROFILES SUPPORTED

- Serial Port Profile (SPP)
- Object Push Profile (OPP)
- Hardcopy Cable Replacement Profile (HCRP)
- File Transfer Profile (FTP)
- Basic Image Profile (BIP)

Specifications

General

- Power Requirements: 3.3 or 5VDC
 - Power On:- 90mA
 - Normal Operation:- 150mA (Typical)
 - Max Consumption:- 180mA
- Size: 57.1mm x 42.8mm x 3.3mm
- UART: BB16CF950+
- Weight: 14g

Software

This product has on board flash, making it user upgradeable to the latest version of the Bluetooth specification. This card is available with drivers and Bluetooth software stack for Pocket PC.

SMART Part number - STBTIOBHWWPARSM
